Plat Sheet Format

- The names and signatures of the owner or owners of the property, duly acknowledged and notarized, shall appear on the original copies submitted;
- The final plat, prepared for recording purposes, shall be drawn at a scale of at least 1" - 100' (one inch equals one-hundred feet). The size of the sheet on which such final plat is prepared shall be 24" by 36" (twenty-four inches by thirty-six inches).
- Any off site utility easements or rights-of-way that will be required to provide public services or access to the platted subdivision shall be shown on the preliminary plat and provided to the Planning Commission for approval and submitted to the Governing Body for acceptance prior to filing.

The final plat shall show and contain the following information:

- a. Name of subdivision, not to duplicate or too closely resemble the name of any existing subdivision;
- b. Location of section, township, range, county and state, including the descriptive boundaries of the subdivision based on an accurate traverse, giving angular and linear dimensions, which must be mathematically correct. The allowable error of closing on any portion of the plat shall be one (1) foot in five thousand (5,000) feet;
- c. The location of existing monuments or benchmarks shall be shown and described on the final plat. Location of such monuments shall be shown in reference to existing official monuments or the nearest established street lines, including the true angles and distances to such reference points or monuments;
- d. The location of lots; blocks; alley, street and highway rights- of-way; parks and other features; with accurate dimensions in feet and decimals of feet with the length of radii on all curves, and other information necessary to reproduce the plat on the ground;
- e. Lots shall be numbered clearly. Blocks shall be numbered or lettered clearly in the center of the block;
- f. Table showing the Lot numbers, square feet and address as assigned by the Planning Department;
- g. The exact locations, widths and names of all streets and alleys to be dedicated;
- h. Boundary lines and description of the boundary lines of any area other than streets and alleys which are to be dedicated or reserved for public use;
- i. Building setback lines along all streets with dimensions;
- j. Name, signature and seal of the licensed engineer or the registered land surveyor conducting the survey and preparing the plat;
- k. Scale of the plat (scale to be shown graphically and in feet per plat scale inch), date of preparation and north arrow;
- l. Statement dedicating all easements, streets, alleys, and all other public areas not previously dedicated; and

m. The following acknowledgments:

1. A certificate signed and acknowledged by all parties having any record, title, or interest in the land subdivided, and consented to the preparation and recording of said subdivision map.
2. A certificate signed and acknowledged as above, dedicating or reserving all parcels of land shown on the final plat and intended for any public or private use including easements, and those parcels which are intended for the exclusive use of the lot owners of the subdivision, their licensees, visitors, tenants, and servants.
3. A certificate signed by the registered land surveyor responsible for the survey and final map. The signature of the said surveyor shall be accompanied by his seal.
4. A certificate signed and acknowledged by the County Clerk that all taxes and special assessments due and payable have been paid.
5. A copy of any restrictive covenants applicable to the subdivision shall be submitted with the final plat.
