2. Kansas Local Technical Assistance Program Presentation

Kansas Local Technical Assistance Program (LTAP) would like to recognize Jimmy Denton as a graduate of the Level 1 Road Scholar Program and present him with a Certificate of completion. Jimmy was the only Public Works professional in North East Kansas to complete all of the requirements this past year. This achievement shows a dedication by both Jimmy to increase his general knowledge and by his department to provide continuing education to their Public Works staff.

The Level One: Technical Skills Program enhances the knowledge of general public works maintenance and construction methods, safety practices, and how local government is organized and operated as it applies to quality public service.

Training is provided by Kansas Local Technical Assistance Program (LTAP) and the Kansas Association of Counties (KAC). The Roads Scholar Program meets requirements for both county and city public works departments
